Abstract
First part title: Text for this section.
Second part title: Text for this section.
Keywords: sample; article; author

Content
Text and results for this section, as per the individual journal’s instructions for authors.

Section title
Text for this section ... Thus we observe that this expected value is finite for all $v > 0$ (also see [?, ?, ?, ?, ?]).

Competing interests
The authors declare that they have no competing interests.

Author’s contributions
Text for this section ...

Acknowledgements
